

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION**

**DONNA CURLING, ET AL.,
Plaintiffs,**

v.

**BRAD RAFFENSPERGER, ET AL.,
Defendants.**

Civil Action No. 1:17-CV-2989-AT

**DECLARATION OF DAVID D. CROSS IN SUPPORT OF PLAINTIFFS'
JOINT MOTION FOR SANCTIONS**

I, David D. Cross, declare as follows:

1. I am a member of the bars of the State of New York and the District of Columbia. I am a partner with the law firm of Morrison & Foerster LLP, and lead counsel in this case representing Plaintiffs Donna Curling, Donna Price, and Jeffrey Schoenberg (the “Curling Plaintiffs”) in the above-captioned matter. I have been admitted *pro hac vice* in these proceedings. I have personal knowledge of the facts in this declaration and, if called to testify as a witness, I would testify under oath to these facts.

Description of Work in Connection with the GEMS Discovery Dispute

2. I was extensively involved with Plaintiffs’ efforts to obtain discovery of GEMS databases from Defendants, over objections that the structure of the

databases was unique to Georgia and that disclosure of GEMS databases to Plaintiffs could jeopardize the security of Georgia's election system.

3. Morrison & Foerster now seeks its fees and costs in connection with the parties' litigation of the production of the GEMS databases, as described in the contemporaneously filed Joint Motion for Sanctions (the "GEMS Dispute").

4. Over several weeks, I communicated extensively and coordinated strategy via email and teleconference with a team of attorneys at Morrison & Foerster, LLP, and Krevolin & Horst, LLC, regarding the GEMS Dispute. I also communicated with Coalition Plaintiffs' counsel, the individual Curling Plaintiffs, Curling Plaintiffs' expert Dr. J. Alex Halderman, Defendants' counsel, and the Court and court personnel regarding the GEMS Dispute.

5. I oversaw the drafting and filing of multiple briefs and other papers filed in connection with the GEMS Dispute, including on July 3, 8, and 10, 2019.

6. I participated in a teleconference with the Court on the subject of the GEMS Dispute on June 28, 2019, and a conference with the Court on the same subject on July 11, 2019.

7. After the Court ordered Defendants to produce the GEMS databases, I instructed Dr. Halderman to set up a secure environment and compare them to publicly available GEMS databases.

8. When Dr. Halderman reported that the structure of the databases Defendants had refused to disclose was not unique to Georgia, and it became clear that Defendants' repeated objection to disclosure was demonstrably false, I instructed my team to prepare the current motion for sanctions.

9. I have personally revised and overseen the finalization and filing of the current motion and its supporting materials.

Identification of Time Expended

10. I oversaw and exercised responsibility over the work done by my colleagues in connection with the GEMS Dispute.

11. Quickly after the GEMS Dispute began, I instructed my colleagues at Morrison & Foerster to distinguish GEMS Dispute-related work from other work in their contemporaneous time records by showing the time spent on each GEMS-related task in parenthesis, *e.g.*, "draft declaration regarding GEMS review (1.25)."

12. I personally reviewed the detailed fee report that the Morrison & Foerster accounting department generated. A true and correct copy of that report is attached to this declaration as **Exhibit A**.

13. I understand the non-redacted entries accurately reflect time the Morrison & Foerster team actually expended in connection with the GEMS Dispute.

14. In connection with this motion, we specifically do not seek any fees for which the portion of any time entry related to the GEMS Dispute is not clearly distinguishable from any unrelated portion. As a result, the amount of time claimed in this motion *significantly understates* the amount of time actually and reasonably expended by Morrison & Foerster in connection with the GEMS Dispute.

Detailed Breakdown of Relevant Time

21. According to the contemporaneous time records and based on my professional experience, I believe the preceding six tables represent a fair and accurate breakdown of each timekeeper's relevant time by task

22. The total amount of fees incurred by Morrison & Foerster attorneys in connection with the GEMS Dispute, subject to further supplementation as described in the Joint Motion for Sanctions, was **\$120,338.75**.

Reasonableness of Time and Hourly Rates

23. In light of my professional experience in complex litigation matters, the total amount of time expended by each of the six named individuals was reasonable and necessary to resolving the GEMS Dispute.

24. The rates used to calculate the current request are the standard rates that Morrison & Foerster charges paying clients for our time, and are reasonable in light of the rates that similar law firms and lawyers charge for the time of attorneys with comparable background and experience.

25. The rates are reasonable under the special circumstances of the GEMS Dispute given the specialized institutional cybersecurity expertise of the firm's Washington, D.C. office, and considering that the Curling Plaintiffs made reasonable efforts to find local counsel to take their case and were unable to find local counsel.

I declare under penalty of the perjury laws of the State of Georgia and the United States that the foregoing is true and correct and that this declaration was executed this 11th day of October, 2019, in Washington, D.C.
